

Logline:
Eco friendly animal guardians defend their home world against pollutant villain arachnids.

Animation - E/I

13 x 30'

This stunning new 'eco-action' series follows N Guard on their quest to save their planet from the evil enemy Sectrix, and their wicked leader Prymite Spydera.

Through adventurous episodes, the series will focus on environmental themes and everyday youth issues and find resolution through teamwork.

Join us as our heroes battle to save the very heart of nature!
