

THE SPORTS ROOM

Hamilton, Halton, Niagara Sports Talk Series

Fast paced, issues and opinions circulating today's sports world. Two hosts and special guests discuss current sports news and topics.

Sports – Talk Show

52 x 30'

On location at our sponsor restaurant, our two sports experts with special guests bring viewers a fast paced, opinion driven discussion about today's sports news and topics. Was that suspension warranted? Who will be fired after missing the playoffs? From hockey to football, baseball to local sports. The Sports Room addresses issues and interesting topics from around the sports scene.

This is not your typical sports report. No scores no updates, we leave that to the news. This is talk, sports talk.

Format Variation: 'Regular Joe' Sports Room: having sports fans and enthusiasts host the program and discuss (instead of experts).
